### Adopt an Orphan Orangutan

Only 1 out of 6 orphans are lucky enough to be rescued - over 1,000 orphaned orangutans are living in rescue and rehabilitation centres. Care of these infants is costly and requires 24hr staff, veterinary, and nurse care to ensure they are in a healthy condition and have the best chance to survive and possibly return to the wild.

All adoption money goes directly to helping the orphans at the various care centres we support in Borneo and Sumatra.

Adoptions in AUD.
